GAY CULVERHOUSE
President

Gay Culverhouse is now carrying on a family tradition with her recent appointment as President of the Tampa Bay Buccaneers. An academic achiever in the field of education, she has quickly made her mark in business as well.

She formally joined the Buccaneers in 1986 and became Vice President/Treasurer in 1990. Now she has advanced to the role of President. "Gay has established her leadership skills in the last year and is well qualified to serve as president," says Owner Hugh Culverhouse. "She will oversee the operations of the corporate sales, business, public relations and ticket departments."

After graduating with honors with a bachelor's degree in special education from the University of Florida in 1969, she earned a master's degree in mental retardation (1970) and a doctoral degree in special education (1982) from Columbia University. She was formerly a professor in the psychiatry department of the University of South Florida's College of Medicine and is a member of the Phi Lambda Theta scholastic honor society.

She is also highly active in a wide range of civic and community affairs, most notably as a member of the Greater Tampa Chamber of Commerce's Executive Committee and member of the Board of Governors. She is currently the Chamber's Secretary/Treasurer and will become President in 1994.

In addition, she is a member of 18 Boards of Directors (including those of Bethune-Cookman College, the Hillsborough County Family Services Association, the Hillsborough County United Way and St. Petersburg's All Children's Hospital) and is the director of the Hugh F. Culverhouse Foundation, Inc. She is president of the Board of Directors of Tampa Crossroads, a program helping those who have been incarcerated adjust to a return to society.

During her tenure with the Buccaneers, she has initiated dropout prevention programs with the public schools and a variety of anti-drug programs in the Tampa Bay area. She founded the Buccaneer Grant program, which helps channel needed funds to a wide variety of agencies in the Bay area.

The past year, while she served as Vice President/Treasurer, has been a busy and productive one as she oversaw the negotiation of an extension on the team's lease at Tampa Stadium and the installation of a Jumbotron replay board.

Her husband, Tampa attorney William Reece Smith, Jr., is the Past President of the International Bar Association and Chairman of the Tampa Committee of 100. She has two children; a son, Chris (18) and a daughter, Leigh (17).

PHIL KRUEGER
General Manager

Hugh Culverhouse's February 4th press conference brought the naming of the fourth Buccaneer head coach, Richard Williamson, plus a general manager - a position left void in the organization since 1977. The job may be unfamiliar to Tampa Bay, but many of the duties are not new to the new general manager, Phil Krueger.

For 13 years, Krueger has worked with the Buccaneers in a role similar to that of many NFL general managers. Since being named as the assistant to the owner in 1978, he has been one of the league's most successful negotiators in player contracts. The Buccaneers have never had a player holdout last into the regular season.

He has also been responsible for many of the Bucs' day-to-day football activities such as training camp, representing the team at NFL functions, dealing with the NFL Players Association and the administration of the football budget.

The difference now is one of accountability, as Krueger is the first to point out. "In the past I've implemented the policies of others, particularly the various head coaches," he says. "Now the formulation of our overall football plan is my responsibility. It will be a management team in every sense of the word. We will rely on all of our resources, coaches and scouts in reaching our decisions."

It would seem to be a substantial increase in duties, but a heavy workload is nothing new to Krueger. For 44 years of his life, Krueger has been involved with football in one way or another, including all 16 years of the Buccaneers' existence.

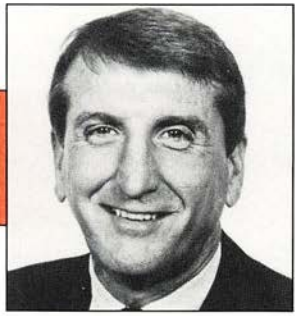
Philip C. Krueger was born in LaSalle, Illinois on October 6, 1929 and graduated from University City High School near St. Louis. He is an honors graduate in English from Southeast Missouri State (bachelor's degree) and Missouri (master's). He served in the US Army during the Korean War and earned a Bronze Star.

After an outstanding career as a high school and junior college coach (assistant for Long Beach City College's 1960 national junior college champions), he was an assistant at Utah State in 1963 and head coach at Fresno State (1964-65). He joined John McKay's staff at the University of Southern California in 1966 where he coached the linebackers, including six All-American selections.

Krueger was recruiting coordinator and linebacker coach at the University of Illinois in 1971-72, before assuming the head coaching position at Utah State for three seasons (21-12 overall). He was the coach at Utah State when John McKay tabbed him as the Buccaneers' first assistant in 1976. He coached the Bucs' special teams, while assuming contract negotiator status in 1978.

An avid jogger and tennis player, he is the president of the Fairway Town Homes Owner's Association. His wife, Kathy, is a practicing registered nurse. Their daughter, Kristi, is a news anchor at WDIV-TV in Detroit.

RICHARD WILLIAMSON
Head Coach



Schooled in nearly a lifetime of winning football, Richard Williamson brings a firm, yet congenial, approach to his role as the Tampa Bay Buccaneers' new head coach.

He moved immediately into coaching following his graduation from the University of Alabama and has been involved in football in the 28 years since - eight as an NFL assistant and six as a college head coach.

His focus has been offense, as a receiver and as a coach, although he did coach defensively for two years at Alabama. "I believe that you can't do anything without a strong kicking game and defense. Offensively, I believe it's important to be balanced," he says. "When I was a receiver and receivers coach, I liked to throw the ball. I believe in the passing game. But I also believe you have to be flexible. You can't live by the pass alone if they don't respect your run."

Richard A. Williamson was born in Fort Deposit, Alabama on April 13, 1941 and graduated from Lowndes County High School. He went to the University of Alabama where he was a star receiver and a strong safety. He led the Crimson Tide in receiving in both 1961 and 1962 as Alabama won the 1961 national championship and finished a combined 21-1 with victories in the Sugar and Cotton Bowls. He was selected All-SEC third team at end in 1962.

Upon graduation, Williamson signed as a free agent with the Boston Patriots but was waived. He then immediately began his coaching career as the University of Alabama's receivers coach. For 12 years he served as an assistant at two of the nation's finest college programs, Alabama and Arkansas. He was receivers coach at Alabama from 1963 to 1967, moved to Arkansas as receivers coach for two years, returned to Alabama as a defensive coach for two years in 1970 and then back to Arkansas as backfield coach for three seasons in 1972.

In 1975, at the age of 34, he became the head coach at Memphis State and produced a 31-35 record in six years at the Tigers' helm. In 1976 Williamson was named the Southern Independent Coach of the Year and twice coached in the Blue-Gray Game.

After a brief stint as executive director of the Bluebonnett Bowl, Williamson moved to the pro ranks in 1983 with Kansas City. The Chiefs' receiving corps developed into one of the league's best under his direction. He joined the Tampa Bay Buccaneers in 1987 and was a finalist for the head coaching jobs at Alabama and Kentucky in 1989.

Kansas City's Carlos Carson (1984) and the Bucs' Mark Carrier (1989) are Pro Bowl receivers he has coached, while it was the Chiefs' Stephone Paige who set an NFL record with 309 yards receiving in a game against San Diego on December 12, 1985. Two of his receivers, Bruce Hill (1988) and Mark Carrier (1989), were selected as the Bucs' Most Valuable Player, while Ron Hall was chosen as **Sports Illustrated's** All-Pro tight end in 1990.

He and his wife, Norma, a real estate broker, have two children, Rich (25) and Caroline (23). In his spare time he enjoys golf. He has been active with a number of charities in the Tampa Bay area.

ASSISTANT COACHES

HANK KUHLMANN
Offensive Coordinator and Running Backs

NFL veteran Hank Kuhlmann brings 27 years of coaching experience at the college and professional level to his new role with the Buccaneers.

A scout for the Phoenix Cardinals in 1990, Kuhlmann coached the Cardinals' running backs the previous four seasons. He also served as the interim head coach for the final five games of the 1989 season.

After graduating from the University of Missouri, Kuhlmann returned to his alma mater (1962-1965) as the freshman football coach. In 1966, he was promoted to running backs coach as Missouri appeared in the 1968 Gator Bowl and the 1969 Orange Bowl.

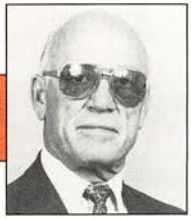
He then moved to the NFL in 1972 as the special teams coach for the Green Bay Packers as the Packers won the NFC Central Division title. He followed Packers' Head Coach Dan Devine to Notre Dame in 1975 and served as the running backs and special teams coach for three seasons. During Kuhlmann's stint with Notre Dame, the Irish appeared in the 1976 Gator Bowl and won the 1977 National Championship in the Cotton Bowl.

Kuhlmann returned to the NFL (1978-82) as running backs and special teams coach for the Chicago Bears. He honed the exceptional skills of Walter Payton as the Bears gained a wild card playoff berth in 1979. Kuhlmann also served for three years (1983-1985) as the assistant head coach/offensive coordinator for the USFL's Birmingham Stallions, who won the 1984 Southern Division crown and the 1985 Eastern Conference title.

Born on October 6, 1937, the native of Webster Groves, Missouri, received his bachelor's and master's degrees in physical education from the University of Missouri before playing four seasons as a catcher in the St. Louis Cardinals baseball organization from 1959-1962. Kuhlmann and his wife, Donna, have two children, Jeff (22) and Tracey (14).

Coaching Experience: Phoenix Cardinals (1990), scout; Phoenix Cardinals (1986-1989), running backs coach; Birmingham Stallions - USFL (1983-1985), assistant head coach/offensive coordinator; Chicago Bears (1978-1982), running backs/special teams coach; Notre Dame (1975-1977), running backs/special teams coach; Green Bay Packers (1972-1974), special teams coach; Missouri (1966-1971), running backs coach, freshman coach (1962-65).

FLOYD PETERS
Defensive Coordinator and Defensive Line



Floyd Peters brings an impressive resume to the Tampa Bay Buccaneers in his first year as defensive coordinator. This is his 18th consecutive year as an NFL defensive line coach and 10th consecutive season as a coordinator. The last 15 defenses he has been associated with have all ranked in the NFL's top 15.

Peters shaped the Minnesota Vikings' defense for the past five seasons (1986-1990), developing them into one of the most feared units in the league. His Viking defense was the number one-rated defense in the NFL in both 1988 and 1989. The 1989 Vikings also led the NFL in passing defense and sacks (71), while his 1988 squad topped the NFL in takeaways (53), interceptions (36) and fewest first downs allowed (243). During his tenure with the Vikings, he developed such Pro Bowl talents as Keith Millard (NFL Defensive Player of the Year in 1989), Chris Doleman, Joey Browner and Carl Lee.

Before his stint with the Vikings, Peters was assistant head coach/defensive coordinator with the St. Louis Cardinals (1982-85), where his 1983 unit led the NFL with 59 sacks. He also served as defensive line coach at Detroit (1978-81), where defensive end Al "Bubba" Baker was a two-time Pro Bowl selection. The 1978 Detroit line set a team sack record with 55 and the 1981 Lions topped the NFC with 47 sacks.

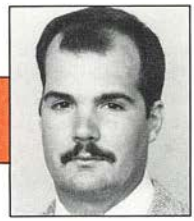
In 1976, while serving as defensive line coach with San Francisco, his defensive line led the NFL in sacks with 61. He spent the 1970 season with Vince Lombardi and the Washington Redskins as player/coach and became a fulltime NFL defensive line coach with the New York Giants in 1974.

Peters was an eighth-round draft choice of the Baltimore Colts out of San Francisco State in 1958, where he played defensive tackle and guard. He spent one year with the Colts and then went on to play for Cleveland, Detroit and Philadelphia. While at Philadelphia, he was selected to play in three Pro Bowls (1964, 1966 and 1967) and was named Most Valuable Lineman of the 1967 game. He also served as the Eagles' captain.

Peters was born in Council Bluffs, Iowa on May 21, 1936. He graduated from Swett High School in Crockett, California. He and his wife, Nancy, have four sons: Craig (33), Kelly (30), Dean (27) and Allen (26).

Coaching Experience: Minnesota Vikings (1986-1990), defensive coordinator; St. Louis Cardinals (1982-85), assistant head coach/defensive coordinator; Detroit Lions (1978-81), defensive line coach; San Francisco 49ers (1976-77), defensive line coach; New York Giants (1974-75), defensive line coach; Washington Redskins (1970), player/coach.

JEFF FITZGERALD
Defensive Assistant



Jeff Fitzgerald begins his second season as defensive assistant with the Buccaneers. His duties include assisting Steve Shafer with the defensive backs and the breakdown of opponent's video for the defensive coaches, as well as directing the scout team.

Fitzgerald started his coaching career in 1981 at Burroughs High School in Burbank, California, as a varsity assistant. He spent two seasons there before moving to Burbank High School in the same capacity for three years (1983-85). He was a graduate assistant at the University of Cincinnati for two seasons (1985-86) before going to Alabama for four seasons (1986-1989); three as a graduate assistant and one as a volunteer assistant. Among his duties at Alabama were assisting with linebackers and special teams, coordinating the walk-on program and being a full-time faculty instructor.

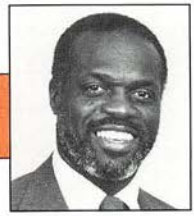
He played collegiately at Pierce Junior College in Southern California for two years before transferring to Oregon State for his final two years. He played semi-pro football for the Burbank Bandits for two years.

Fitzgerald earned his bachelor's degree in physical education from Cal State at Northridge and his master's degree in physical education from Alabama. He was a volunteer at the 1984 Summer Olympic Games in Los Angeles in the weightlifting events.

He was born on April 18, 1960, in Burbank, California, where he graduated from John Burroughs High School. His wife's name is Leslie.

Coaching Experience: Tampa Bay Buccaneers (1990-present), defensive assistant; Alabama (1988-89), volunteer linebacker coach; Alabama (1986-87), graduate assistant; Cincinnati (1985), graduate assistant.

RAY HAMILTON
Defensive Line Assistant



Ray Hamilton brings nine years of playing experience and six years of coaching to his new position with the Buccaneers. Hamilton, widely known as "Sugar Bear" while one of the NFL's best nose tackles for the New England Patriots from 1973 to 1981, will assist Defensive Coordinator Floyd Peters with the defensive line.

Hamilton spent the 1990 season as head coach of the Bay State Titans, a minor league team, who finished the year 10-1. Defensive lineman Eric Swann, who was the sixth player chosen overall by the Phoenix Cardinals in the 1991 draft, was one of his players.

Hamilton had previously coached the defensive line for the Patriots from 1985 to 1989 and he and his wife, Paula, owned and operated their own printing company, Hamilton Printers. During his first year on Raymond Berry's staff, the Patriots advanced all the way to the Super Bowl.

A 14th-round draft choice from Oklahoma in 1973, Hamilton started every game but one during his first eight seasons and finished with 132 games played and 117 started. The 6-1, 245-pound Hamilton made up for his relative lack of size with quickness and technique to record 53.5 sacks during his career. Fritz Shurmur, one of his coaches at New England, said, "Ray is the best I've seen at executing the mechanics of the nose tackle position." He recovered 14 fumbles, the third-best figure in Patriot history.

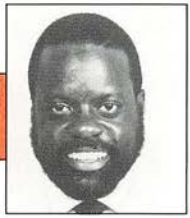
Hamilton was a two-time All-Big Eight performer for the Sooners before his professional career began with the Patriots in 1973. He immediately set a team record for quarterback sacks by a rookie with seven. In 1977, he recorded a career-high 9.5 sacks.

He earned his bachelor's degree in marketing from Oklahoma (1973) and a master's degree in public administration from Suffolk University (1977), making the dean's list at both schools. Hamilton, an avid tennis player, is also an accredited tennis official who has worked several professional tournaments in the Boston area.

Hamilton was born on January 20, 1951, in Oklahoma City, Oklahoma, as the second of 12 children. He and his wife, Paula, have two sons, Kadar (15) and Damon (12).

Coaching Experience: Bay State Titans (1990), head coach; New England Patriots (1985-89), defensive line.

TIM HARKNESS
Receivers



Tim Harkness comes to Tampa Bay after a successful four-season stint as receivers and tight ends coach at the University of Illinois (1987-1990). During that time he tutored two Illini players who were drafted by the NFL, Darryl Usher and Mike Bellamy.

Harkness is no stranger to the Sunshine State. From 1977 to 1981 he worked for IBM at the Kennedy Space Center as a system's software programmer for the Space Shuttle. He also assisted with the football team at Merritt Island High School.

He then decided to turn his attention to coaching and secured a graduate assistant's position at Georgia Tech while earning his master's degree in business administration systems from Georgia State University. He was a graduate assistant at Georgia Tech for three years (1982-84) and at Alabama (1985-86) before taking the fulltime position at Illinois in 1987, where he served on the staffs of Mike White and John Mackovic.

A graduate of Johnson C. Smith University, he earned four varsity letters as an offensive guard and was named co-captain his senior year.

He was born on April 2, 1955, in Fort Jackson, South Carolina. He graduated from W.J. Keenan High School where he lettered in football, wrestling and track. In his spare time he enjoys listening to jazz music and playing basketball.

Coaching Experience: Illinois (1987-1990), receivers/tight ends; Alabama (1985-86), graduate assistant; Georgia Tech (1982-84), graduate assistant.

KENT JOHNSTON
Strength and Conditioning

Kent Johnston enters his fifth season as the Buccaneers' strength and conditioning coach. He oversees all the weight training and fitness, including structuring specific training programs for each athlete.

He earned high marks as a strength and conditioning coach at Alabama in 1985 and 1986 as the Crimson Tide weight program was regarded as one of the finest in the country. Among the many athletes he has developed include such NBA players as Buck Johnson (Houston Rockets), Derrick McKey (Seattle Super Sonics) and Michael Ansley (Orlando Magic) as well as NFL stars Cornelius Bennett (Buffalo Bills) and Derrick Thomas (Kansas City Chiefs). He has implemented karate as part of the Bucs' conditioning program.

Johnston began his coaching career in 1978 at Teague (TX) High School as an assistant coach before moving to Northeast Louisiana in 1979. From there he went to Northwestern State, where he became the strength coach in 1980 and 1981. After another brief stint as a high school assistant in 1982, he joined the University of Alabama as a graduate assistant for two seasons (1983-84) before being named strength and conditioning coach in 1985.

Johnston lettered in football as a defensive back at Stephen F. Austin, where he received his bachelor's degree in physical education and history. He earned his master's degree in physical education from Alabama in 1984.

Johnston was born on February 21, 1956, in Mexia, Texas and graduated from Mexia High School where he participated in football, tennis and track. He and his wife, Pam, have a son, Kody (1).

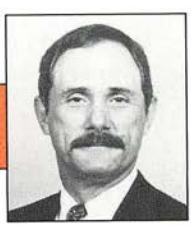
DALE LINDSEY
Linebackers



Dale Lindsey joins the Buccaneers as the latest stop in an extensive and impressive coaching career. He brings 16 years of coaching and nine years as a linebacker with the Cleveland Browns to his new position.

Lindsey spent the 1990 season as the defensive line coach for the New England Patriots after spending the previous two seasons as defensive coordinator for Forrest Gregg at

MORRIS WATTS
Quarterbacks

Success has followed Morris Watts and his quarterbacks just about everywhere he has gone in his 28 years of coaching.

Watts spent five seasons as offensive coordinator and quarterback coach at Michigan State (1986-1990) as the Spartans went to four bowl games, including the Rose Bowl after the 1987 season. In 1986, Dave Yarema enjoyed the greatest passing season in Spartan history, completing 200 of 297 passes (67.3%) for 2,581 yards. In his four years at Michigan State, the Spartans had a record of 25-5-2 in Big Ten play.

Watts is reunited with offensive coordinator Hank Kuhlmann, with whom he worked with the USFL's Birmingham Stallions in 1984-85. While with Birmingham, quarterback Cliff Stoudt enjoyed the greatest success of his career completing 478 of 810 passes (59.0%) for 6,749 yards, 60 touchdowns and 26 interceptions. He led the league in passing in 1984 and finished second to Jim Kelly in both 1985 and USFL career passing efficiency (95.9 rating). Birmingham won the Southern Division title in 1984 and the Eastern Conference championship in 1985.

After four years of high school coaching in his native Missouri, Watts began his college coaching career at Drake in 1965. He then began a 10-year association with Lee Corso at Louisville in 1972 as both the Cardinal offensive unit and quarterback John Madeya led the Missouri Valley Conference in total offense.

From 1973 to 1981, he served as the offensive coordinator at Indiana with Corso as the Hoosier's program advanced to the Holiday Bowl. Under his guidance, Indiana's offense was consistently among the league's best. Quarterback Tim Clifford was the Big Ten's MVP in 1979 and Babe Laufenberg followed him to another outstanding career. In 1982, he coached the quarterbacks at Kansas before moving to LSU in 1983.

Watts was born on January 26, 1938, in Seneca, Missouri. He was an All-America running back at Seneca High School in 1956 and went on to star at Tulsa. BUCS-SAINTS NOTES

The Saints' 211-yard ground game carried the day for New Orleans... Craig Heyward gained 93 yards by halftime and finished with 155 yards, the most by an individual against Tampa Bay in 1990... Chris Chandler made his second start at quarterback and directed a sharp 80-yard, 15-play scoring drive with the opening kickoff, culminated by his spectacular cartwheeling 12-yard touchdown run... but Chandler had to leave the game with a concussion in the second quarter and Vinny Testaverde finished up against a New Orleans' pass rush which totaled six sacks... Paul Gruber was flagged for a second-quarter holding penalty which ended a streak of 2,155 plays (nearly 35 games) without a holding penalty... Mark Royals' 46.0-yard punting average was a season-high. (A - 67,865)

PLAYOFF INFORMATION

Division Ties

If, at the end of the regular season, two or more clubs in the same division finish with the best won-lost-tied percentage, the following steps will be taken until a CHAMPION is determined:

TWO CLUBS

1. Head-to-Head (best won-lost-tied percentage in games between the clubs).
2. Best won-lost-tied percentage in games played with the division.
3. Best won-lost-tied percentage in games played within the conference.
4. Best won-lost-tied percentage in common games, if applicable.
5. Best net points in division games.
6. Best net points in all games.
7. Strength of schedule.
8. Best net touchdowns in all games.
9. Coin toss.

THREE-OR-MORE CLUBS

(Note: If two clubs remain tied after a third club is eliminated, tie-breaker reverts to Step One of two-club format.

1. Head-to-Head (best won-lost-tied percentage in games among the clubs).
2. Best won-lost-tied percentage in games within the division.
3. Best won-lost-tied percentage in games within the conference.
4. Best won-lost-tied percentage in common games.
5. Best net points in division games.
6. Best net touchdowns in all games.
7. Strength of schedule.
8. Best net touchdowns in all games.
9. Coin toss.

Wild Card Ties

If necessary to break ties to determine the three Wild Card clubs from each conference, the following steps will be taken:

1. If all the tied clubs are from the same division, apply division tie-breaker.
2. If the tied clubs are from different divisions, apply the following steps:

When the first Wild Card team has been identified, the procedure is repeated to name the second Wild Card (i.e. - eliminate all but the highest-ranked club in each division prior to proceeding to step two), and repeated a third time if necessary, to identify the third Wild Card. In situations where three or more teams from the same divison are involved in the procedure, the original seeding of the teams remains the same for subsequent applications of the tiebreaker if the top-ranked team in that division qualifies for a Wild Card berth.

TWO CLUBS

1. Head-to-Head, if applicable.
2. Best won-lost-tied percentage in games played within the conference.
3. Best won-lost-tied percentage in common games, minimum of four.
4. Best average net points in conference games.
5. Best net points in all games.
6. Strength of schedule.
7. Best net touchdowns in all games.
8. Coin toss.

THREE-OR-MORE CLUBS

1. Head-to-Head sweep (applicable only if one club has defeated each of the others or one club has lost to each of the others.
2. Best won-lost-tied percentage in games played within the conference.
3. Best won-lost-tied percentage in common games, minimum of four.
4. Best average net points in conference games.
5. Best net points in all games.
6. Strength of schedule.
7. Best net touchdowns in all games.
8. Coin toss.

NFL PERSONNEL/ROSTER GUIDELINES

ROSTER LIMITS:

June 1 - August 27 — No more than 80 players can be under signed contract. August 20 — Rosters must be cut to 60 active players. (Tuesday after 3rd preseason game.)

August 26 — Rosters must be cut to 47 players. Clubs will be permitted to dress 45 players for each regular season game. Teams will list two players as inactive for each game. Provided that a club has only two quarterbacks on its 45-player Active List, a third quarterback from the Inactive List is permitted to dress for the game. If he participates in the game, the other two quarterbacks are thereafter prohibited from playing.

RESERVE/INJURED:

- Any player placed here before the final 47-man roster can NOT return to the Active List this season. Such players are not eligible to practice.
- Any player placed here after the final 47-man roster will be eligible to return after a minimum of four games missed. The move will require one of the club's free activations or by procedural recall waivers.
- Clubs will be permitted five free roster activations during the regular season.

TRADES:

Teams are permitted to trade personnel in 1991 through the Tuesday following the sixth week (Oct. 8), after which trading will end until January 27, 1992.

WAIVERS:

(The procedures by which players are made available to other NFL clubs.) A club may make a claim to obtain a player by another club or "waive" its right to do so. Claiming clubs are assigned on a priority, based upon the inverse won-lost record. From July-December, the claiming period is 24 hours and are no-recall. After 24 hours, if unclaimed, the player becomes a free agent.

FIGURING THE 1992 SCHEDULE

Beginning in 1992, NFL teams will play a 16-game schedule over a span of 18 weeks. Non-division opponents will continue to be assigned by a formula. For non-division games against NFC opponents, the formula calls for the five NFC Central teams to play the following opponents in 1992, based on their finish in 1991 (certain adjustments in game site may be required in applying a formula based on previous game sites between the teams):

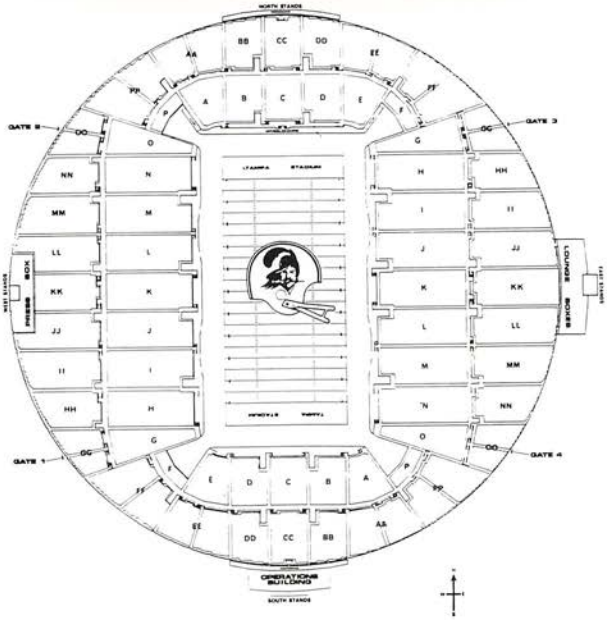
TAMPA STADIUM



EXECUTIVE DIRECTOR: Joe Zalupski
STADIUM MANAGER: Rick Nafe
ADDRESS: North Dale Mabry Highway, Tampa, FL 33607
CAPACITY: 74,321
TELEPHONE (813) 872-7977

After the excitement of hosting the Silver Anniversary Super Bowl, Tampa Stadium now looks ahead to its 16th year of NFL football.

Known for the outstanding field and layout, Tampa Stadium also has many other features to boast of, some from improvements made before the 1990 season.

The 1990 improvements include the Buccaneers' 24-foot by 32-foot Sony Jumbotron towers above the south end zone and offers playbacks and features for the fans to watch. Four additional game-display boards were added to the end zone corners to keep fans informed of the game's progress. Another project completed before the 1990 season was the installation of seatbacks throughout the stadium.

With the addition of extra seating in 1983, Tampa Stadium now seats 74,296 for Buccaneer games, (including 57 sky suites over the east stands with seating capacity varying between 16 and 33 seats). With the addition, Tampa Stadium is now the third largest stadium in the NFC. Only the Pontiac Silverdome and Giants Stadium can boast greater capacity.

Construction started in October, 1966, and Tampa Stadium was dedicated on November 7, 1967. The stadium originally seated 46,500 fans in concrete stands along either sideline. The initial structure cost only $4.6 million. In this configuration, it served as home to the University of Tampa, as well as other college football games and professional preseason contests.

As part of the awarding of an NFL franchise to Tampa Bay in 1975, the end zones were enclosed to raise seating capacity to over 72,000. Other additions in 1975 were new computerized scoreboards at either end and an additional level on the press box above the west stands.

The complex is administered by the Tampa Sports Authority, a public board composed of 11 members from both the city of Tampa and Hillsborough County, which was established by the State of Florida in 1965.

Tampa Stadium has hosted two Super Bowls: XVIII won by the Los Angeles Raiders over the Washington Redskins, 38-9, on January 22, 1984, and XXV, won by the New York Giants over the Buffalo Bills, 20-19, on January 27, 1991.

Tampa Stadium is also the home of the Hall of Fame Bowl, inaugurated in December, 1986.

WTOG-TV

KELLY

NAMATH

ALVAREZ

Buccaneer football returns to WTOG-TV, Channel 44, in 1991 with all four preseason games, three preseason specials and Richard Williamson's television show.

The **Buc Report with Richard Williamson** will be telecast live every Monday night at 8:00 p.m. Gene Deckerhoff, the Bucs' radio play-by-play voice, will host the show which will include a comprehensive review of the previous day's Buc action. WTOG-TV sports director Bob Alvarez will also be featured each week.

Jim Kelly, Joe Namath and Alvarez will be the announcers for WTOG's preseason coverage of Buccaneer football.

This is the fifth season behind the Buccaneer microphone for ESPN's Kelly, also known for his reports of golf and America's Cup ocean racing.

Namath, former Hall of Fame quarterback for the New York Jets, enters his first season as analyst for Buc preseason games. One of the most widely recognized figures in sports, Namath led the Jets to an upset victory over the Baltimore Colts in Super Bowl III earning MVP honors along the way. He holds the record for yardage passed in a 14-game season with 4,007. Currently a football analyst with NBC, Namath was inducted into the Pro Football Hall of Fame in 1985 and later that same year he was the first New York Jets player to have his number retired.

The 1991 preseason will be highlighted by three live **Countdown To Kickoff** specials August 5th (at 8 p.m., 30 minutes prior to the live game telecast from Cleveland), August 10th (10:00 p.m.) and August 17th (at 6:30 p.m. 30 minutes prior to the live game telecast from Atlanta).

In addition to the live telecasts from Cleveland and Atlanta, the Buccaneers' two home preseason games will be replayed on a tape delay basis (Miami - twice, Saturday, August 10th at 11:00 p.m. and Sunday, August 11th at 8:00 p.m. and following the Kansas City game on Saturday, August 24th at 8:00 p.m.).

SWASH-BUC-LERS

Sandy Karl

Leading the cheers and performing various dance routines are the Swash-buc-lers. The group was founded with the team in 1976 and has 36 members. The squad performs many complicated dance routines during breaks in the game action, in addition to leading the crowd in cheers. The squad will be directed by Sandy Karl who is entering her third year as director and choreographer. Karl, along with her husband Bob, has operated the Karl and DiMarco School of Theatre in Tampa for the past 19 years. The group is sponsored by Paul Mitchell Hair Products and Sacino's Formal Wear.

DECKERHOFF

LOGAN

CRIPPEN

Buccanner football in 1991 can be heard for the first time on the WQYK Buccaneer Radio Network, AM & FM (1010 AM, 99.5 FM).

Gene Deckerhoff returns for his third season as the play-by-play voice of the Buccaneers. Joining him in the broadcast booth will be former Buccaneer David Logan, complemented by Dick Crippen, who will handle pregame, halftime and postgame locker room duties as well as updates from other NFL games.

Deckerhoff, one of the nation's premier play-by-play announcers, has been the popular voice for Florida State football and basketball broadcasts for the past 14 years. He is the former radio voice of the USFL's Tampa Bay Bandits and former sports director of WCTV-TV in Tallahassee. He has received the Florida Sportscaster of the Year Award five times.

Logan begins his first season as analyst after a successful playing career with the Buccaneers (1979-86). Recognized as one of the top nose tackles in the NFC during his playing days, he finished his career in 1986 with a string of 103 consecutive starts. In 1984 he was chosen All-Pro by **The Sporting News** and All-NFC by **Pro Football Weekly.** He was also a Pro Bowl alternate for three consecutive seasons (1983-85).

10 YEARS AGO

THE 1981 NFC CENTRAL DIVISION CHAMPIONS

The 1981 Tampa Bay Buccaneers won four of their final five games to claim their second NFC Central Division championship. The title was secured in a dramatic 20-17 win over the Detroit Lions at the Pontiac Silverdome on December 20th.

The Bucs traveled a dramatic path to reach the showdown game with the Lions. After a November loss to Denver the Bucs stood 5-6, but Tampa Bay won its next three games.

The Bucs had a chance to clinch the division title with a win over San Diego in the 15th game but the Chargers pulled out a thriller, 24-23, on Rolf Benirschke's 29-yard field goal with 45 seconds remaining. Coupled with Detroit's route of Minnesota, the Bucs and Lions were tied at 8-7 entering a winner-take-all showdown in the Silverdome where Detroit had not lost all year.

The Bucs won the game 20-17 on big plays such as Doug Williams' 84-yard touchdown pass to Kevin House and David Logan's 21-yard touchdown return of a fumble caused by Lee Roy Selmon.

Instant Replay Approved for 1991

For the sixth consecutive season, NFL clubs have approved a limited system of Instant Replay on a one-year basis.

All replay reviews which involve contact to the field from the Replay Booth will be a maximum of two minutes in duration, timed from the moment when the Umpire signals timeout.

The Replay Official will be assigned to a regular officiating crew and will attend crew meetings the day before each game.

The following table outlines the number of reversals and plays closely reviewed by instant replay in each of the previous five regular seasons.

	Games	Reversals	Plays Closely Reviewed
1986	224	38	374
1987	210	57	490
1988	224	53	537
1989	224	65	492
1990	224	73	504

In 1986, the system was approved by a 23-4-1 vote and in 1987 the vote was 21-7. In 1988, replay was cleared by a 23-5 margin. In 1989, the vote was 24-4. In 1990, the vote was 21-7. In 1991, Instant Replay was approved by a 21-7 vote.

The NFL has discussed Instant Replay in some degree or other since the early 1970s. The League experimented in 1976 and 1978 using two basic frameworks–an independent system using cameras, replay machines, and technicians separate from the network covering the games, and a no-frills approach using existing TV coverage.

In 1985, the NFL used the network feed of the nine nationally televised preseason games to experiment with the basic system which later was adopted and has been used since 1986. A total of 28 plays (17 confirmed calls, 4 inconclusive, 1 reversed, and 6 no replay shown) were closely examined in the 1985 experiment.

Q—What is the objective of this system?

A—The clubs feel that on certain plays the telecast viewed by the general public should be used to correct an indisputable error. The system will be used to reverse an on-field decision only when the Replay Official has **indisputable visual evidence** available to him that warrants the change.

Q—Who will be involved?

A—The Replay Official (a former NFL or collegiate official) will be positioned in a sideline Replay Booth, which will house two TV monitors and two high-speed VCRs plus radio communications to the on-field officials. The Replay Official makes the decision although a Communicator (normally a member of the League Office staff) and a Technician also will be there to lend logistical help.

Q—Why is the system referred to as "Limited" Instant Replay?

A—This system will concentrate on plays of **possession** or **touching** (e.g. fumbles, receptions, interceptions, muffs) and most plays governed by the **sidelines, goal lines, end lines,** and **line of scrimmage** (e.g. receiver or runner in or out of bounds, forward or backward passes, breaking the plane of the goal line). It also will be used to determine whether there are more than 11 men on the field.

Q—Why aren't most fouls included in this system?

A—It is recognized that in most circumstances the on-field officials have the best vantage points involving fouls. It is for this reason that Instant Replay **will not review** a list of the following 26 fouls:

1. Clipping
2. Encroachment and offsides
3. Grasp of facemask
4. False start
5. Defensive pass interference
6. Offensive pass interference
7. Offensive holding and illegal use of hands
8. Illegal batting or punching ball
9. Illegal block on free kick or scrimmage kick
10. Illegal crackback
11. Illegal motion
12. Illegal use of forearm or elbow
13. Illegal use of hands by defense
14. Illegally kicking ball
15. Illegally snapping ball
16. Intentional grounding
17. Member of punting team downfield early
18. Illegal formation
19. Palpably unfair act
20. Piling on
21. Roughing the passer
22. Running into/roughing kicker
23. Striking, kicking, or kneeing
24. Unnecessary roughness
25. Unsportsmanlike conduct
26. Use of helmet as a weapon

Q—Is the television network carrying the game part of the review process?

A—No. Although the Replay Official will be viewing the live network feed, there is no communication to television personnel as to which plays to show or not to show. The Replay Official does not hear the TV commentators.

Q—What is the step-by-step procedure of a play review?

A—The Replay Official will view game action and a play will be replayed immediately on one of the two monitors, while the other one continues to record the live feed.

The Replay Official makes a determination if further study of the play is needed. If not, there is no contact with the field and play continues without interruption.

If the Replay Official believes an error may have been made, the Umpire will be contacted via a headset.

The Replay Official will watch replay(s) on one or both monitors and complete his review within two minutes after the Umpire signals timeout.

The Replay Official will inform the Umpire of his decision, and the Referee will make the appropriate announcement on the wireless microphone.
